4. You will find the module under **featured courses**:

5. Click on **See more** and **Enroll** in the class:

Opioid Overdose Recognition and Response

Amy Lee | July 31, 2022

This module provides a foundational understanding of how the body reacts to an overdose and how the naloxone nasal spray works to reverse a drug overdose to save someone's life. By the end of the module, you will be able to recognize and respond to an opioid overdose using naloxone.

 Opioid Overdose Recognition And Response Elearning Module

6. Click on the **Opioid Overdose Recognition and Response Module** and **Launch** the course:

Opioid overdose recognition and response elearning module

7. Be sure to fill out the embedded survey in the course in order to receive credit. After you have completed the course, go to **My Learning** to print your certificate:
