

Think you are pregnant? You can get free health care now!

Pregnant or think you might be? You need health care right away.
Low income? No insurance? No immigration papers?
You can still get free health care!

These services are **free** and will be kept **private**:

- Pregnancy tests and counseling
- Prenatal care
- Abortion services

To get care, you must live in California. Immigration papers are **not** needed.
When you visit one of the clinics below, their staff will help you start Medi-Cal that same day.

Visit or call a clinic now and ask for a free pregnancy test!

-
- Most clinics have interpreter services and patient care in all languages.
 - Call 1-800-300-9950 for any questions about where to get health care.
 - These services are paid for by Presumptive Eligibility (PE). PE is a short term Medi-Cal program for women and teens who think they may be pregnant or are pregnant. If you are not pregnant and would like family planning services you can sign up for Family PACT.
