

Grant Colfax, MD Director of Health

City and County of San Francisco London N. Breed Mayor

Sugary Drinks Distributor Tax Advisory Committee Infrastructure Subcommittee

MINUTES

February 4, 2020 2 PM 25 Van Ness Avenue, Suite 650

*Please note that public comment will be held after every agenda item. If a member of the public would like to comment on a topic that is *not* on the agenda, they may do so during general public comment at the start of the meeting. Please see the *Notes* section of this document for additional information.

Order of Business:

1. Call to Order / Roll Call [discussion and action]

Michelle Kim (phone), Larry McClendon, Linda Barnard, Derik Aoki

Absent: Rita Nguyen

Meeting called to order at 2:10pm

2. Approval of January Meeting Minutes [discussion and action]

Larry motions Linda seconds.

3. Approval of Agenda- [discussion and action]

Michelle motions to approve agenda. Linda seconded the motion.

4. General Public Comment

No public comment

- 5. House Keeping [discussion and possible action]
 - a. Discussion of Future Considerations for Infrastructure Subcommittee Section of Annual Report

Michelle shares that edits to the infrastructure subcommittee annual report section are noted in red colored font. She noted that edits included discussions from the previous subcommittee meeting, including support for emerging needs. Larry provided clarification for area 1-d and h. He noted that Jorge advocated for tracking the economic impact of the tax on small businesses and larger corporations. The intent was to examine and analyze if the tax was burdensome on business owners. Currently there are efforts looking at data on beverage sales and all organizations funded by SDDT. Moving forward the intent is to incorporate an annual survey for business owners. Larry shared that H, help merchants comply with tax. The intent was to create a more friendly and easy to read infographic to identify if businesses were identified as a distributor or not. The infographic was not created due to media budget cuts. Christina shared that Civic Edge will be talking with merchants to see if it is something that is still needed. Larry proposes to revise 1d by deleting larger

corporations, as data can be easier to obtain. Christina shared that SDDT only has sales data. Larry shares that he and Christina had the opportunity to view a video focused on East Bay and SF merchants and that the soda tax has not had an impact conducted by UCSF. The intent was to ensure government was making appropriate investments for the community. Video illustrated that there was an increase in other beverages sold.

Michelle recommends based on information just presented, the subcommittee keep larger corporations as part of the statement, as it is a stakeholder that still needs to be addressed.

Linda moves to approve infrastructure annual report section. Larry seconded the motion.

b. Official/Unofficial Membership of Infrastructure Subcommittee

Michelle provides context of Larry's current SDDTAC membership via replacement of previous member Jorge Rivas. Larry should be voted in as an official member of the infrastructure subcommittee.

Linda motions to add Larry McClendon as an official member of the SDDT infrastructure subcommittee. Derik seconded the motion.

- 6. Review of FY 19-20/20-21 budget and considerations for FY 21-22 budget recommendations [discussion and action]
 - a. Reference of SDDTAC Values and Draft Strategies

Member shares from the previous SDDTAC meeting, subcommittees should base recommendations on previous year SDDT allocations as a reference point.

Member suggests allocating funds to support OEWD to support merchants. Larry added that by doing so, OEWD would be able to create and implement strategies for merchants to get greater support. He suggests working with business owners to determine if they are impacted by the tax, continue infographic efforts and work with business owners on random permits, licenses, etc. Larry suggests SDDT funds to support healthy retail at \$250K for 1 year that would support focus groups and deeper conversations with merchants. Larry will provide SDDT backbone staff for budget line description for support for small business/merchants.

Derik shares that the Breastfeeding Coalition submitted for a grant total of \$175K. He shares that the Breastfeeding Coalition operates through a fiscal agent and that the coalition is in its developmental stage and recommends the coalition to develop focus group and surveys for identifying solutions for year 1. Member suggests breastfeeding SDDT funding level to be \$250K or \$300K. Member suggests that funding should go through the public health department. Derik prefers that SDDT funds to the Breastfeeding Coalition be directly to the community based grants budget line but will follow up with the coalition to determine what is the best mechanism.

Linda noted that she has forwarded to RPD the suggestions of expanding scholarship parameters to age 24 and seniors but has not heard back. She states that SDDT funds are being spent currently by RPD. Member suggests that although there isn't data as of yet on the RPD scholarship program, it still is in alignment with SDDTAC recommendations. Linda shares that scholarships are intended for public housing residents and foster care participants and that RPD is averaging 50-70 scholarships per location. RPD SDDT funds are split by scholarships and programming. RPD intends to hire 70-100 youth for summer jobs and efforts are in process. Linda also shares that all hydration stations have been installed and there are 3 currently being installed.

Infrastructure subcommittee additions to SDDT budget recommendations:

Breastfeeding - \$175K

Support for small businesses - \$250K

Recreation and Park Department: \$650K - Peace Parks, SVIP funding - \$225K and scholarships - \$1Mil

Infrastructure committee budget considerations will be shared with other committees and can be discussed further at February SDDTAC meeting.

Michelle motions to approve infrastructure subcommittee budget recommendations FY 20/21 and FY 21/22 and to present discussions to SDDTAC and subcommittees. Derik and Larry seconded motion. Linda abstained.

- 7. Discuss possible agenda items for March 3, 2020 Meeting [discussion and possible action]
 - Strategic Planning
 - Posters Update media update
- 8. Public Comment no public comment
- 9. Adjourn

Linda motions to adjourn the meeting. Derik seconded the motion. Meeting is adjourned at 3:50pm.

General Public Comment: At this time, members of the public may address the SDDTAC Advisory Committee on items of interest to the public that are within the subject matter jurisdiction of the Committee but do not appear on the agenda.

With respect to agenda items, the public will be given an opportunity to address the Committee when the item is reached in the meeting. Each member of the public may address the Committee for up to three minutes.

The Brown Act forbids a Committee from taking action or discussing any item not appearing on the posted agenda, including those items raised at Public Comment. In response to public comment on an item that is not on the agenda, the Committee is limited to:

- Briefly responding to statements made or questions posed by members of the public, or
- Requesting staff to report back on a matter at a subsequent meeting, or
- Directing staff to place the item on a future agenda. (Government Code Section 54954.2(a).) 10.

Each action item will hold public comment before a vote is made.

Explanatory documents are available at the 25 Van Ness Ave, Suite 500 during regular business hours. If any materials related to an item on this agenda have been distributed to the SDDTAC after distribution of the agenda packet, those materials are available for public inspection at the address above during normal business hours.

RINGING AND THE USE OF CELLPHONES

The ringing of and use of cell phones, pagers and similar sound-producing electronic devices are prohibited at this meeting. Please be advised that the Chair may order the removal from the meeting room of any person(s) responsible for the ringing or use of a cell phone, pager, or other similar sound-producing electronic devices.

KNOW YOUR RIGHTS UNDER THE SUNSHINE ORDINANCE

Government's duty is to serve the public, reaching its decisions in full view of the public. Commissions, boards, councils, and other agencies of the City and County exist to conduct the people's business. This ordinance assures that

deliberations are conducted before the people and that City operations are open to the people's review. For information on your rights under the Sunshine Ordinance (Chapters 67 of the San Francisco Administrative Code) or to report a violation of the ordinance, please contact: Sunshine Ordinance Task Force Administrator City Hall – Room 244 1 Dr. Carlton B. Goodlett Place, San Francisco, CA 94102-4683, 415-554-7724 (Office); 415-554-7854 (Fax), E-mail: SOTF@sfgov.org

Copies of the Sunshine Ordinance can be obtained from the Clerk of the Sunshine Task Force, the San Francisco Public Library and on the City's website at <u>www.sfgov.org</u>. Copies of explanatory documents are available to the public online at <u>http://www.sfbos.org/sunshine</u> or, upon request to the Commission Secretary, at the above address or phone number.

LANGUAGE ACCESS

Per the Language Access Ordinance (Chapter 91 of the San Francisco Administrative Code), Chinese, Spanish and or Filipino (Tagalog) interpreters will be available upon requests. Meeting Minutes may be translated, if requested, after they have been adopted by the Family Violence Council/Mayor's Task Force on Anti-Human Trafficking. Assistance in additional languages may be honored whenever possible. To request assistance with these services please contact the Minouche Kandel 415-252-3203, or minouche.kandel@sfgov.org at least 48 hours in advance of the meeting. Late requests will be honored if possible.

DISABILITY ACCESS

Family Violence Council meetings are held in room 617 at 400 McAllister Street in San Francisco. This building is accessible to persons using wheelchairs and other assistive mobility devices.

Mayor's Task Force on Anti-Human Trafficking meetings are held in Room 305 at City Hall, 1 Dr. Carlton B. Goodlett Place in San Francisco. City Hall is accessible to persons using wheelchairs and other assistive mobility devices. Ramps are available at the Grove, Van Ness and McAllister entrances.

Assistive listening devices, American Sign Language interpreters, readers, large print agendas or other accommodations are available upon request. Please make your requests for accommodations to Minouche Kandel (415) 252-3203, or minouche.kandel@sfgov.org. Requesting accommodations at least 72 hours prior to the meeting will help to ensure availability.

LOBBYIST ORDINANCE

Individuals and entities that influence or attempt to influence local legislative or administrative action may be required by the San Francisco Lobbyist Ordinance [SF Campaign & Governmental Conduct Code 2.100] to register and report lobbying activity. For more information about the Lobbyist Ordinance, please contact the San Francisco Ethics Commission at 25 Van Ness Avenue, Suite 220, San Francisco, CA 94102, (415) 252-3100, FAX (415) 252-3112, website: sfgov.org/ethics.

Comparison between SDDTAC Recommendations and Mayor's Allocations FY 19-20

Description of intended purpose from Mayor's Budget

Community-Based Grants: Funding to issue grants to CBOs for programs and services in the following areas (1) Health Education, (2) Physical Activity, (3) Food Access, and (4) a Media/Awareness Campaign. School Food, Nutrition Education, student-led action: Funding to (1) improve the quality of school meals, (2) support nutrition education, and (3) support student-led efforts to decrease consumption of SSBs and increase awareness around students.

Food Access: Healthy Food Purchasing Supplement

Healthy Retail: Will provide Healthy Store makeovers to 2 additional stores and continue ongoing providing support to 10 stores.

Oral Health school-based: Funding to support oral health in schools, including the cost of sealants.

Oral Health: Funding for Community Task Forces

Infrastructure: To fund a contract through DPH for facilitation and strategic support for the SDDTAC. Will also support research needs, including purchasing of data, and costs at DPH related to the administration of CBO grant program.

Water Access: One-time for the installation of water refilling stations in schools. Also can be used to purchase refillable water bottles for students.

SFRPD: Funding to Rec Park to provide continued support of the Peace Parks program.

	Budget Descriptions
COMMUNITY-	City Departments should contract directly with CBOs through an RFP process managed through the
BASED GRANTS	Community Health Equity and Promotion (CHEP) Branch of the Department of Public Health. CBG should

	support community based programs and convices that address the bealth inequities of these most targeted
Health education, food security, physical activity	 support community-based programs and services that address the health inequities of those most targeted by the beverage industry. Funding should go to Community Based Organizations (CBOs) and Faith Based Organizations (FBOs) for the following strategies: 1. Health Education activities including, chronic disease prevention, healthy eating and active living, tap water promotion, oral/dental health 2. Physical Activity opportunities, including: a) Dance and movement, sports, yoga, walking groups, biking, etc.; b) Efforts to influence changes to the built environment (ie sidewalks, streets, parks, buildings, etc) or safety of the built environment that facilitates increased physical activity and walking and biking for utilitarian trips, sometimes referred to as active transportation); and c) pursuit of institutional or local policies that facilitate physical activity and active transportation (such as adequate PE time and instructors, commuter benefits for active transportation, etc) 3. Healthy Eating/Food Security*, including: a) Community-based pantries, community-based hot meals, community kitchens and community home delivery services; b) Increased financial resources (i.e. wages, income, government nutrition supplements, vouchers, etc.); c) Changes to the built environment that facilitate food security; and d) Pursuit of institutional or local policies that facilitate food security. 4. Water Promotion, such as support for Spa Water Supplies, station maintenance/beautification, refillable
	water bottles to distribute to communities, water testing
	5. Community Based Participatory Research
CBOs working with SFUSD	7% of all CBO funding (eg 7% of approximately \$4.3 million) should go towards CBOs implementing programs/initiatives that take place in school settings. Funding to issue grants to CBOS should follow the guidelines above.
Media	To develop and implement a media campaign focused on the impact of the SDDT with an emphasis on grassroots, community-led storytelling. Community Based Participatory Principles will be utilized in the development of the storytelling campaign, with CBOs funded to co-develop the campaign with a contracted media agency. The funds should support both a local and regional media campaigns. The regional campaign should be in coordination with other jurisdictions with similar sugary beverage taxes to leverage resources and augment the intended goals of the SDDTAC. A portion of the local media campaigns must include a merchant education component. A smaller proportion of the funds (to be determined by the Department of Public Health and any contracted entities) may support media/communications campaigns that highlight the health harms of sugary beverage intake and encourage tap water consumption. A portion of the funds must include merchant education. The local campaign must include merchant education component. DPH/CHEP will contract with media agency, and oversee the campaign progress, with guidance from the Community Input Subcommittee on the local and regional community-led story telling campaigns and guidance from the Infrastructure Subcommittee on the merchant focused campaign.
Community engagement	Community engagement activities (ex. community conveners, focus groups, town halls, attending existing community meetings, etc.) to ensure that meaningful community engagement opportunities are fully integrated throughout the work of the SDDTAC, so that impacted populations can inform the decisions of the full committee.
SFUSD	
School Food, Nutrition Ed	To improve the quality and appeal of school meals and support nutrition education to increase participation in school meal programs (for example: cooking and serving equipment, staff professional development, and innovative procurement and menu strategies to increase freshly prepared food). Funding will target schools with the largest populations of high-risk students that are disproportionately targeted by the sugary drinks industry.
Student Led Action	Support student led efforts to decrease consumption of sugary drinks and increase awareness of sugary drinks consumption among students, with focus on schools with the largest populations of high-risk students that are disproportionately targeted by the sugary drinks industry. SFUSD should provide to SDDTAC a proposal of how funding will be spent through student led action.
FOOD ACCESS	
Healthy Food Purchasing Supplement	Support programs that increase financial resources to purchase healthy food such as vouchers and food purchasing incentives. This investment is meant to support both the communities most impacted by the health consequences of sugary beverage consumption and to support the local economy including local merchants. These funds should be RFPed out to CBOs and FBOs according to the Community Based Grants guidelines.

Healthy Retail	Supporting small business to increase healthy food access in high risk and impacted communities and neighborhoods by: 1) supporting business operations; 2) promoting community engagement; and 3) improving the retail environment.
ORAL HEALTH	
Community task forces	Support development of community infrastructure such as oral health community task forces that incorporate diverse stakeholders for outreach, education, and interventions to address the oral health needs of children in high risk populations.
School-based sealant application School-based education and case management	Support school-based and school-linked preventive oral health programs within SFUSD schools serving high risk target populations. This should also support SFUSD dedicated oral health staffing.
INFRASTRUCTURE	
DPH Infrastructure	 A. Personnel 1) Backbone staffing to support SDDTAC a. A program manager to provide backbone staffing to the SDDTAC, including: i) Staffing full committee and 3 subcommittees in compliance with Sunshine and Brown Acts; ii) Coordinating among city agencies and funded CBOs to promote collective impact; iii) Help guide vision and strategy of SDDTAC, support aligned activities; manage SDDTAC work and timeline; and iV) Working with evaluation team to establish shared measurement practices b. As necessary, manage citywide/soda tax impact media c. Develop/Compile and Manage completion of SDDTAC Annual Report d. Manage SDDTAC biennial nominations process 2) Staffing to support DPH SDDT implementation of community based grants a. Manage work of contractors, including: i) develop and implement CBO RFP process; ii) provide technical assistance for CBOs and merchants; iii) promote collective impact in coordination with SDDTAC backbone staff and City Agencies; and evaluation technical assistance. 3) Staffing to support research and evaluation of SDDT impact, including data purchases as necessary a. At least 1.0 FTE epidemiologist; b. Support data analysis for annual report; c. Manage data purchases; d. participate in development and implementation of SDDT evaluation B. Professional services including: i) technical assistance for funded CBO and FBO; ii) evaluation - to implement evaluation framework and evaluate funded city agencies, CBO and FBO, and process evaluations from applicants, and provide evaluation technical assistance; iii) city attorney to provide ongoing technical consultation C. Materials/Supplies for meetings and printing costs D. Training to support staff development E. Data for collection (pricing), analysis (Nielsen) and purchase (IRI)
Strategic planning	Strategic planning consultant to facilitate the SDDTAC in creating a strategic plan to guide the work. The development of this plan should be informed by multiple guiding principles to at least include: the 10 essential public health services, community input regarding its priorities and needs, lessons learned and best practices from other jurisdictions that have implemented similar taxes. The strategic planning process should address, among other aspects, the near and long term strategic goals of the SDDTAC; the role of CBOs, FBOs, and city agencies in achieving this vision; how the SDDTAC's goals fit within the context of city-wide coalitions with similarly aligned goals
Evaluation	Additional funds for evaluation may: a. support community based participatory research (ex. street intercept, merchant interview, focus groups) b. develop a system to collect data c. expand technical assistance d. conduct more qualitative evaluation that can help develop stories that describe impact of tax
WATER ACCESS	
Water Access - SFUSD	To install hydration stations at low income schools serving students with health disparities (ex. Bayview, Chinatown, Mission), to elevate the schools to the Silver or Gold standard for hydration stations (i.e. one on each floor, centrally located, and conduct water education). Funds may support purchase of Spa Water

	Supplies, station maintenance and beautification, refillable water bottles to distribute to students, water testing.
Water Access - Public Spaces	To install or upgrade existing hydration station(s) in public spaces that target high-risk populations that are disproportionately targeted by the sugary drink industry (community identified public spaces). This funding should support high-quality, visually appealing, stations that can serve as a highlighted example of the potential for hydration stations. This can include beautifying and optimizing current station(s) or creating new one(s).
SF Recreation & Parks	To support staffing and supplies, including healthy food, for Peace Parks programs in target populations
HOPE SF Chronic Disease Equity	To fund services to public housing residents in the HopeSF sites. Public housing is a known risk factor for diet sensitive health disparities. The concentrated poverty and resource isolation intensify the impact of race and poverty. This funding will be used to support resident peers, trained as community health workers, to provide health education, chronic disease self-care programs, and linkages to care. Each of the 4 sites will have two full time peer community health workers who will provide a variety of programming. The funding supports both wages and some program expenses.

* Funding should support programs and services that increase financial resources to purchase healthy food; access to healthy fruits and vegetables while minimizing processed foods for high-risk communities; foods that are affordable and convenient; and programs that support the consumption of healthy foods including the ability to prepare and store meals and the knowledge of basic nutrition, food safety and cooking. Priority programs should incorporate a community-based food security perspective and have demonstrated increased ability of food insecure residents to purchase, access, and consume consumption of healthy, fresh, low-to-no cost and culturally appropriate foods, including but not limited to food vouchers/incentives, transportation and delivery and prepared foods.

PROGRAM	DEPARTMENT	DESCRIPTION	
Food Security – Healthy	DPH	Maintain current service levels: Vouchers and education to	50,000
Food Purchasing		increase consumption and access to nutritious foods by increasing	
Supplement		the ability of low income residents to purchase fruits and	
		vegetables at neighborhood vendors and farmers' markets in	
		collaboration with DPH Healthy Retail Program.	
Healthy Corner Store	ECN	Promoting corner stores and markets to sell healthy products as	60,000
Retail		opposed to sugary beverages, etc.	
Food Security – Home	HSA	Address current waitlist: Delivery of nutritious meals, a daily-	477,000
Delivered Meals (HDM)		safety check/friendly interaction to homebound seniors/adults	
		with disabilities who cannot shop or prepare meals themselves.	
		Many providers offer home assessments/nutrition	
		education/counseling.	
Food Security –	HSA	Address current waitlist: Daily, hot, nutritious meals for	220,000
Congregate Lunch Meals		seniors/adults with disabilities	
Senior Fitness	HSA	Senior fitness programming at IT Bookman and George Davis	200,000
Congregate Meal Program	HSA	Congregate Meal Program A	75,000
Congregate Meal Program	HSA	Congregate Meal Program B	75,000
		TOTAL	1,157,000

ONGOING ADDBACKS FROM FY 2017-2018

*The Board of Supervisor's made a series of addbacks in the FY 17-18 budget. When the Board of Supervisors makes changes to the Mayor's budget, some of these changes are "addbacks" denoting the Board's decision to add funds back for a particular service. Addbacks become part of an agency's baseline budget.
