Issue Brief Overview

SIM Framework

San Francisco Sequential Intercept Model

Issue Brief Overview

- + Drafted by the Technical Support Team
- + Issue Briefs define each Intercept and describe key intervention points and articulates potential strategies for work group consideration
- + Data in brief pulled from prior Sheriff and DPH presentations
- + Potential strategies and ideas identified by Work Group Member Interviews and the Technical Support Team

Issue Brief Outline

Intercept	Definition	Work Group Goal
Intercept 2 – Initial Detention and Initial Hearing	Processes from initial booking into CJ #1 through initial court appearance	Expand opportunities to appropriate, informed, and timely pretrial release
Intercept 3 – Resolution of the Case	Opportunities in the courts and jails subsequent to initial court appearance that facilitate safe pretrial exits from custody and support reentry into the community	Reduce the number of unnecessary days spent in jail

Small Group Activity

- + After Public Comment – Find your group number from May 13th.
 - + New joiners count off
- + Purpose – Allow WG members to develop strategies that they believe have the most promise to reduce jail population and close CJ #3 & 4.
- + Documents
 - + Small Group Activity Template
 - + Issue Brief #1 Intercept 2 (in binder) and Issue Brief #2 describing Intercept 3
- + Activity template summarizes the key events and examples of potential strategies from the Issue Briefs to stimulate discussion and inspire ideas. Examples are not intended to be comprehensive or prioritized. WG members can eliminate or ignore those they do not agree with.
