UCSF Research at ZSFG

UCSF Research at ZSFG

The Mission

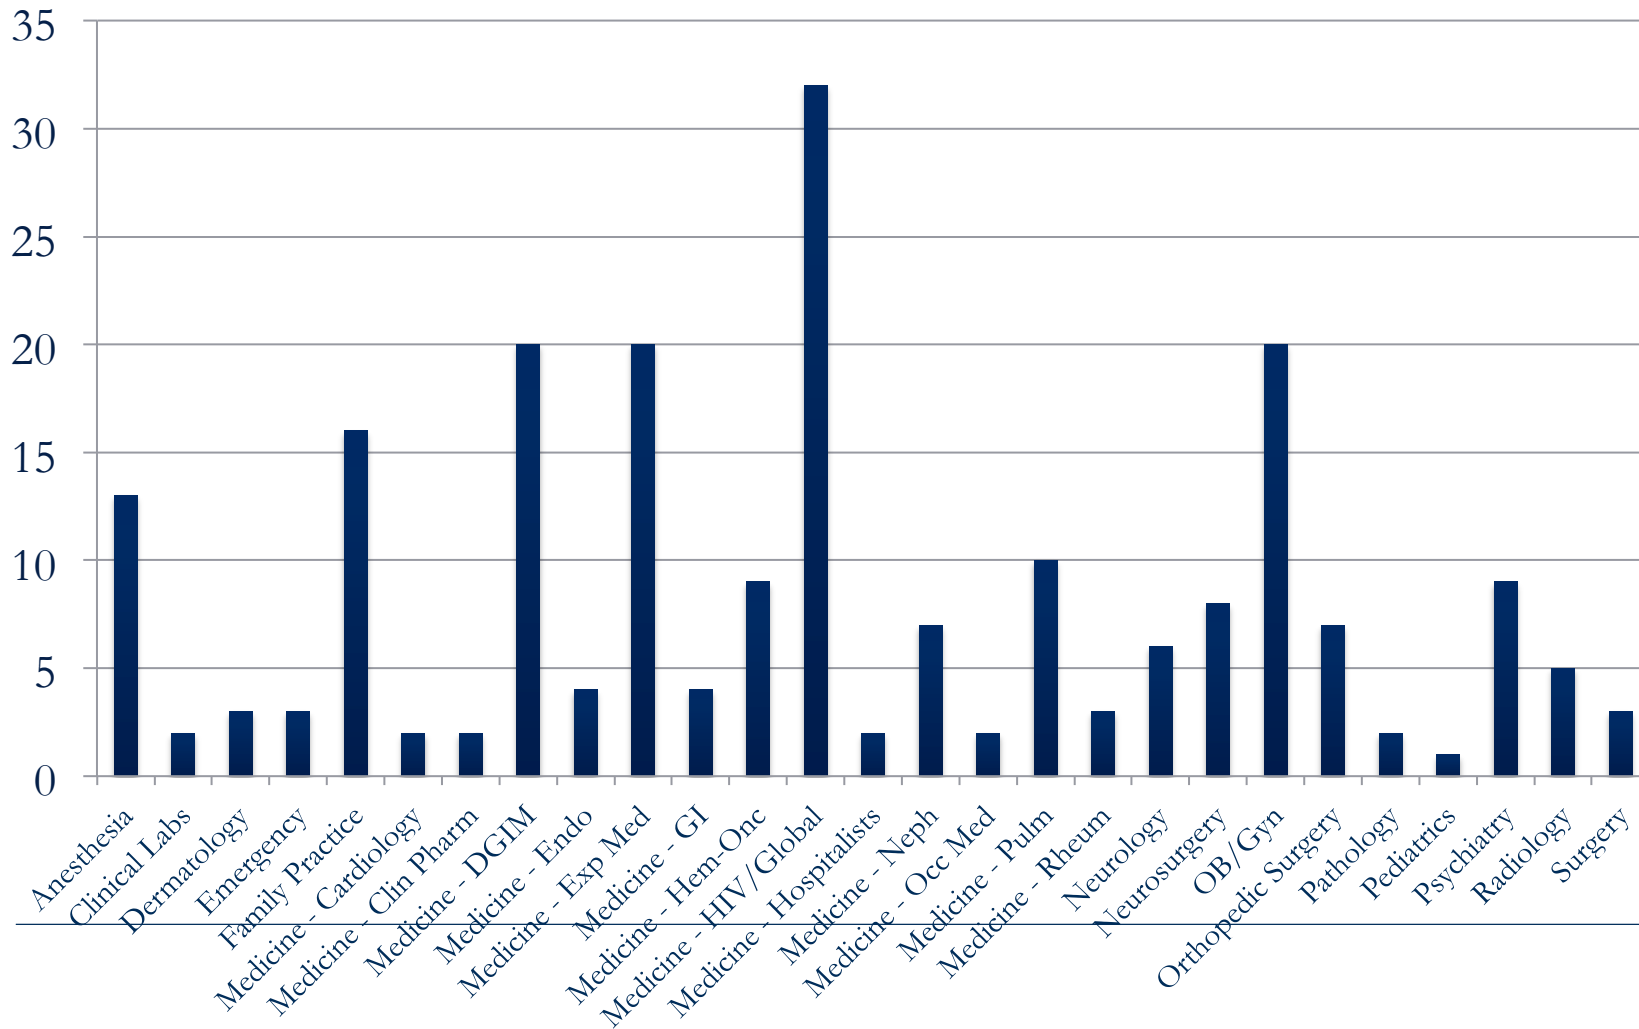

UCSF Research at ZSFH is essential to meet both missions:

- An academic environment allows us to attract, recruit, and retain exceptional faculty, staff, and trainees
- Innovation and discovery improve clinical care and patient outcomes at ZSFG & around the world

UCSF Research at ZSFG

The Numbers – Physician Researchers

There are over 200 faculty conducting research in FY16

Overview of Current Research

The Numbers – Annual Awards

UCSF Research at ZSFG

Sample of Research Programs

- Juvenile Justice Behavioral Health Research Program (JJBH):
<http://psych.ucsf.edu/zsfg/jjbh>
- Orthopaedic Trauma Institute (OTI):
<http://orthosurg.ucsf.edu/oti/>
- Center for Vulnerable Populations (CVP):
